# Feast 2024

**“Nevertheless, we, according to His promise,  
look for new heavens and a new earth  
in which righteousness dwells.”  
*2 Peter 3:13***

How marvellous it is that we get to celebrate the Feast of Tabernacles in Jesus Christ!

With his own death - the end of his tabernacling - drawing near, the Apostle Peter wrote his second epistle encouraging believers to hold fast to the precious faith granted by God's grace to His Church. This year, Peter's Second Epistle forms the backbone of our Festival preaching. In his epistle, Peter shows that God has given us, by His own power, all those gifts of His divine nature that will create a different world to the one in which we live.

This current world, we all know, is torn by an anti-Christ spirit from which we have been Saved - not by our power, but by God's grace through His own Son.

We have the immense privilege of being able to look past this world's wars, troubles, confusion and sinfulness to see a glorious vision and future. It is the full reality of the Kingdom of God come down to earth from heaven: that Day when this present age will melt away and all things will be created new.

We are thrilled for you to join us in celebrating this great reality to come, as during The Feast of Tabernacles 2024 we look forward to, picture and seek the reality of that new heavens and earth in which righteousness dwells. It's a reality that, as Peter wrote, we can taste now through His Spirit.

We thank guest preacher, Kerry Gubb, for blessing us with a number of sermons during the Feast. His and Anne's faithfulness are a joy and example to all. And I thank you for your involvement, support and the fellowship that we have in the blood of Christ, who is the Only Redeemer, The Son of God, The Coming King of Kings, who will bring righteousness to fill the whole earth as the waters cover the sea.

May you have a wonderful Feast 2024 and may the God of All Peace grant you grace and great joy as you look for that awesome Day when all this shall come to pass.
