# Your Invitation

We invite you to join us in Mandurah, Western Australia, for the 2023 Feast of Tabernacles, a Christian Celebration of the Kingdom of God.

Our Theme this year is ***“Preserved blameless at the coming of our Lord”***, 1 Thessalonians.

The Feast of Tabernacles is an eight-day Festival established by God and celebrated by Our Lord Jesus and His apostles. Jesus’ famous discourse in John 7 was delivered on the Last Day of the Feast when He declared, “Let anyone who is thirsty come to me and drink” (verse 37).

Do you hunger and thirst after the living waters Jesus promised?

We do and hope you do, too.

That’s why we celebrate this Feast that Jesus commemorated with His words. It’s a glorious time of worship, of sharing in faithful teaching from the Word of God, of celebrating and sharing in our fellowship with other Christians, spread out over eight marvellous days.

Sermons this year will cover 1 Thessalonians 3:11 – 5:28 through the course of the Festival. If you attend the full time, you will receive in-depth teaching uncovering the depths of Paul’s letter and its connection to the coming Kingdom of God.

If you can join us for the full eight days, wonderful! It’s a tremendous experience for anyone who can. If you can only come for one portion of that time, that’s wonderful, too. We think you will be blessed for any amount of time you are able to join us.

There is no registration fee, as we currently are able to provide the Festival based on the free will offerings of a few families who sponsor the Feast.

This Festival is run as a non-denominational celebration. Attendees come from a variety of churches and groups. You will not be asked to join a particular church, but simply invited to share and enjoy!

Just visit our website at [feastwa.org](http://feastwa.org) and register for the activities and services you will be able to attend, so we can ensure adequate seating, planning and communication as needed. The website has details on services format, standards and schedule as well as a full itinerary of planned events. You should also have received a Festival Calendar with this invitation.

Please contact me via the website if you have any questions.

I hope to see you there!
